9. ☐ Other _____

DETAILED ACTION

Allowable Subject Matter

1. Claims 1-24 are allowed.
2. The following is an examiner's statement of reasons for allowance:

Claims 1-9

None of the prior art of record teaches or suggests a toner reservoir comprising a shaft disposed within the toner chamber and having a groove formed in an outer circumferential surface of the shaft, the groove extending substantially in a first direction in which the shaft extends, and a bearing member that engages the shaft so that the shaft and the bearing member can rotate relative to each other, the bearing member having a projection that projects from the bearing member in a second direction parallel to the first direction, the projection having a surface in contact with the shaft such that the projection rotatably holds the shaft.

Claims 10-13

None of the prior art of record teaches or suggests a toner reservoir comprising a resilient sleeve that encloses a rotating body rotatably supported on a shaft disposed within the toner chamber in such a way that the rotating body is rotatable on the shaft.

Claims 14-18 and 23

None of the prior art of record teaches or suggests a process cartridge comprising a shaft disposed within the toner chamber and having a groove formed in an outer circumferential surface of the shaft, the groove extending substantially in a first direction in which the shaft

Art Unit: 2852

extends, and a rotating body having walls that projects from the rotating body in a second direction parallel to the first direction, the walls being angularly spaced apart and in contact with the shaft such that the rotating body is rotatably supported on the shaft.

Claims 19-22 and 24

None of the prior art of record teaches or suggests a process cartridge comprising a resilient sleeve that encloses a rotating body rotatably supported on a shaft disposed within the toner chamber in such a way that the rotating body is rotatable on the shaft.

Contact Information

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Hoan H. Tran whose telephone number is (571) 272-2141. The examiner can normally be reached from 8:30 AM - 5:00 PM Monday-Friday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Mr. Arthur Grimley can be reached at (571) 272-2136. The central office fax number for the organization where this application or proceeding is assigned is (703) 872-9306.

Any inquiry of a general nature or relating to the status of this application or proceeding should be directed to the receptionist whose telephone number is (703) 308-0956.
